

TRIPLE PLAY!

AXWare Systems

In 2007 SVR tried something new; 2 courses in one day with lunch provided by Showcase Mitsubishi between courses. How could we top our 2007 event of the year?

Three courses combined time in two days!

No SVR GASS event would be complete without great food and this year will be no exception. Start off Saturday morning with a Jetta Breakfast provided by Lee's Automotive. After some great racing on the Saturday am course sit back with your friends and enjoy a ballpark lunch provided by Showcase Mitsubishi. Feighner Baskets will be providing pop for lunch and water throughout the day. After lunch and refreshments the racing resumes on the afternoon course.

On Sunday there will be a third course but only one racing session to get you on the road in time to take mom to dinner.

This event will have a minimum of 9 runs. If 9+ runs aren't enough for you, make it a 3 day weekend and attend our Friday Test and Tune. Work a 1-2 hour shift on course and then play all day.

Schedule of Events

Fri. May 9

Test & Tune set up 8am

Run Cars 10am-4pm

Limited Entry 40 drivers \$15.00

Registration & Tech 4pm-8pm

Special note for 2008: The site no longer allows use of grass areas for any activity beyond dog walking. This means camping on site is permitted but must be on the asphalt. We ask all competitors to help us enforce this provision so we can continue to enjoy this great facility in the future.
