

## The Great American Solo Series (GASS) Event Bid Form

The Host Region/Club must adhere to the Great American Solo Series (GASS) Committee directions and all Sports Car Club of America (SCCA) Solo Rules. Please provide the following information for GASS Event sanction consideration (use attachments to this form as necessary):

1. SCCA Region/Club: \_\_\_\_\_
2. Event Dates: \_\_\_\_\_
3. Event Location: \_\_\_\_\_
4. Why does your Region/Club want to put on a GASS Event? \_\_\_\_\_  
\_\_\_\_\_
5. What experience have you had with putting on large events in the past? \_\_\_\_\_  
\_\_\_\_\_
6. What help do you anticipate needing from the GASS Committee in order to put on a quality event?  
\_\_\_\_\_
7. Describe your event site in terms of size and the ability to handle a large number of cars. Include a site map. Is the site asphalt or concrete? Will there need to be restrictions, such as sound levels or ability to handle karts? \_\_\_\_\_  
\_\_\_\_\_
8. Will your event be a 1 or 2-day event? If 1-day, will there be another day as a Regional event or a Test and Tune that weekend? \_\_\_\_\_  
\_\_\_\_\_
9. Do you plan to have a party? If so, please describe your plans. \_\_\_\_\_  
\_\_\_\_\_
10. What do you plan to charge for entry fees? If there will be a cap on total entries or a late fee schedule, please describe your plans. Please describe any other fees that might be included. \_\_\_\_\_  
\_\_\_\_\_
11. If you are new to putting on a large event, it is strongly recommended that you send your Solo Chairman, Event Chairman, and other event personnel to the Spring Workshop. Are you planning to do this? \_\_\_\_\_  
\_\_\_\_\_
12. If you are new to putting on a large event, are you planning to have members of your Region/Club “shadow” event chiefs and learn different worker specialties at another GASS event before yours?  
\_\_\_\_\_
13. How do you plan to promote your event? \_\_\_\_\_  
\_\_\_\_\_
14. What Timing & Scoring software are you using? The GASS Pointskeeper prefers TS99, TS03 or MS Excel format. If you are not using one of these software packages, how do you intend to get the event results to the GASS Pointskeeper in a format he can use? \_\_\_\_\_
