

## Detroit and Saginaw Valley Region SCCA present Great Lakes Divisional Event #4: Concrete Plans

Three courses combined time in two  
days!

Start off your Saturday at Oscoda with not one but two courses. We will be grilling out while the course redesign takes place. Since this is an Oscoda event we will have the Brats, Burgers and most important the bacon.

After lunch and refreshments the racing resumes on the afternoon course. On Sunday there will be a third course but only one racing session. This event will have a minimum of 9 runs over the two days. If 9+ runs aren't enough for you, make it a 3 day weekend and attend our Friday Test and Tune. work a 1-2 hour shift on course and then play all day.

Schedule for the event and entry fees:

Fri. July 17  
Test & Tune set up 8am  
Run Cars 10am-4pm  
Limited Entry 40 drivers \$20.00

Registration & Tech 4pm-8pm  
Course walking 6pm- Dark

Saturday:

Registration & Tech 6am-7am

Course walking 6am-7:30am

First Heat cars to grid 7:30 am

Drivers meeting 8:00am

First car off 8:30am

Event format is 3 runs in the AM

Lunch

Change course 3 runs in the PM

Sunday

Course walking 6am- 8am

First heat cars to grid 8am

First car off 8:30 am

Special note for 2008: The site no longer allows use of grass areas for any activity beyond dog walking. This means camping on site is permitted but must be on the asphalt. We ask all competitors to help us enforce this provision so we can continue to enjoy this great facility in the future.
