

The 2010 Solo Season is quickly making its way towards the Great Lakes Divisional at Grissom Aeroplex in August! If you haven't registered yet, there is still time. Online registration is through MyAutoEvents.com or you can print off a hard copy of the entry form found on the www.soloseries.org website in any of the bulletins, fill that out and send a check to the registrar, Lorien Feighner. All of the information is on a flyer on the www.soloseries.org website. Registration without a late fee is available until August 1st and then the late fee will apply after that date. Register early – register often!

We have some exciting things going on again this year at the divisional. Once again, we will be offering a test and tune on Friday from 9 am – 3 pm. Check the flyer for details. Of course, Tire Rack is our major sponsor and they are helping out in two different ways. The first is that there will be twenty-\$50.00 “Tire Rack Bucks” cards that will be given out at the trophy presentation on Sunday afternoon. These will be given out for a variety of reasons and you must be present to win! Tire Rack will also be helping out with breakfast each day. We will have fruit, pastries, coffee and juice available each morning so if you get out of your hotel too early to stop for breakfast, we will have something to get you through the morning both Saturday and Sunday.

We will also be having a free lunch on Saturday – Subway will be the menu for lunch and those of you that require/request something veggie, we will accommodate you on that as well. We ask that you patronize the local restaurants on Saturday evening. There is a good variety in both Kokomo and Peru

Hoosier Tire and Jeff Spear have once again agreed to help out with the Hoosier Tire Raffle! This has been extremely popular at the last few divisionals – who among us can't use new tires!?

SPS, the official merchandiser for SCCA, and a major sponsor for the Great Lakes Solo Series, will be there with their trailer. They also supply the trophies for the series and for the divisional. Ron VerMulm has indicated that he will be attending our divisional and will be able to offer tire service to anyone that requires it.

Register now for the divisional and we'll see you at Grissom in August!
