

Welcome Novices!

We warmly welcome you to this Solo® autocross event, sanctioned by the South Bend Region, SCCA®.

You've signed the waiver and gone through registration...

What's Next?

Go to Tech Inspection

- Apply large, legible car numbers and class letters to both sides of car (help available at registration)
- Empty car interior and trunk of all loose objects
- Remove floor mats and hub caps
- Bring your helmet (loaners are available later)

Walk the Course

- Review the course map
- Walk several times to memorize

Go to Novice Walk

- Get course and driving tips from an SBR champ

Go to Drivers' Meeting (Mandatory)

- Review rules, etiquette and safety considerations
- Learn the work/drive order and number of runs

Work the Course

- Course work is very important – take it seriously!
- Not working will mean that your runs do not count, and you may not be welcome back in the future
- Report to work early
- Review “Working the Course” on other side of this card

Drive the Course

- Report to grid early – you will be assigned a parking spot when you get there
- Listen to the grid workers for instructions
- Locate a loaner helmet, if necessary

Help Clean Up Course and Site Results and Trophies

Remember:

- We're here to help – just ask!
- *You're* here to help, too – when you're not driving, you are a worker who is helping to run this event. Greater participation means a better time for everyone!
- Take care of yourself, your car and your autocross site!
- Use sunscreen and drink plenty of fluids!
- Be safe and have fun!
- Check out results and schedule at our web site, www.sbrscca.org – we hope to see you again soon!
