Series Event #3:

Dancing with the Cars
July 9-11, 2010
At
Wurtsmith AFB
Oscoda, Michigan

Three courses combined time in two days!

Start off your Saturday at Oscoda with not one but two courses. We will be grilling out while the course redesign takes place. Since this is an Oscoda event we will have the Brats, Burgers and most important the Bacon.

After lunch and refreshments the racing resumes on the afternoon course. On Sunday there will be a third course but only one racing session. This event will have a minimum of 9 runs over the two days. If 9+ runs aren't enough for you, make it a 3 day weekend and attend our Friday Test and Tune. Work a 1-2 hour shift on course and then play all day.
